Professional Development Days (PD Days)

One Wednesday each Month - School Start Time is 10:00 a.m.

Frequently Asked Questions:

What does this mean exactly?

One Wednesday each month our school day will start at 10:00 a.m. just like a 2 hour delay schedule.

Why is the school making this change?

In an ever-changing world, EWSC wants to continue to provide our students with top notch instructional strategies, technology advances, and learning experiences that prepare them for their future. These PD days give teachers 2 hours of built-in time to collaborate and learn so that we are providing our children with the best educational experience possible.

What time can I drop my child off at school?

On these PD days students can be dropped off at 9:30 a.m. The drop off procedures will be the same as normal at each building, just 2 hours later!

Will the bus still pick my child up?

Yes, the bus will operate on a 2 hour delay also. For example, if your child typically gets picked up at 6:50 a.m., then on a PD Day your child would be picked up 2 hours later which would be 8:50 a.m.

Will my child's daily lunch time be the same on PD Days?

At the elementary your child will still eat lunch at the same time. Our PD days will not affect the lunch schedules at all! For example, if your child eats lunch at 11:30 on a regular day, your child will still eat lunch at 11:30 on a PD Day.

The middle school and high school lunch times will be based on the two-hour delay schedule (First Lunch: 11:21-11:52 / Second Lunch: 11:57-12:28).

Will breakfast be served on PD Days?

No, breakfast will not be served on delay days. Please be sure your child eats breakfast at home.

What if I have no childcare on these days?

EWSC will offer a before-school childcare program in which students may be dropped off at 7:30 a.m. Breakfast will be served for these children. This program is free for all children but parents must register for this service each month. A registration link will be shared for families to sign-up for before-school childcare the week before the first PD.
